

Survivor Advocacy

Support at MIAD

There are people at MIAD who can help you make the decisions that are right for you. MIAD's Advocates can provide information about MIAD and community resources, assist you in reporting the assault and support you through each step of the process.

To talk with an advocate, contact either Jennifer Crandall, Marianne Honrath, or Sara Thor.

Jennifer Crandall

Phone: 414-847-3344
