ALTERNATIVE LOANS

The following is a request for an alternative loan. Alternative loans are private loans through a lending institution that are not part of the federal government’s loan programs. You will undergo a credit check through the lender as well. These loans are not guaranteed. Alternative loans have yearly limits set by the participating banks. In addition, you can only borrow what it costs to attend MIAD (tuition, housing, food and supplies) minus any other financial aid you are receiving. The amount borrowed will be approved and certified by MIAD financial aid staff when returned to us. All alternative loans require students to have a cosigner. If you have a situation where this is not possible, please contact the financial aid office to discuss your individual circumstances.

Please indicate which alternative loan application you would like sent to you. Do not get an application from your bank!
