

Minor Information:

Students have the option of declaring a minor to enhance their Major program of study. All studio majors may be declared as minors as well as liberal studies and minors through a cross-registration agreement at Marquette University.

A minor consists of a minimum of 15 credits, and may double count towards major requirements if applicable. (example: studio minor classes will apply towards studio electives in a Major program of study and HU/WR cross-listed classes will apply towards required Humanities class and towards a writing minor.)

Please complete the minor declaration form below when you have completed **or** are registered for a minimum of 6 credits towards the anticipated minor, and return the form to the Registrar's office (RL45E or D).

The credits of a minor must be completed at the Milwaukee Institute of Art & Design if they are part of the final 30 residency credits (unless they are part of an approved Marquette minor). See the student handbook for Residency Policy.

Be aware that courses may have prerequisites and/or may not be offered every semester. Please plan accordingly. It may take additional semesters, including summer to complete a minor.

MINOR FORM DECLARATION OF A MINOR

Student Name (print): _____

Declare Minor in: 1. _____

2. _____

- I have completed or am currently registered for a minimum of 6 credits toward my anticipated minor.
- I understand that a minimum of 15 credits is required to earn a minor.
- I understand that declaring/changing my minor may result in a change in course requirements and that additional semesters may be required to complete degree requirements.
