

Reporting the Assault to Law Enforcement

MIAD is required by law to report incidents of sexual assault to the Milwaukee Police Department. MIAD's Dean of Students, Deputy Coordinator Tony Nowak tonynowak@miad.edu can take your report. The Deputy Coordinator will also discuss with you the options for proceeding, and will begin an investigation in partnership with law enforcement, MIAD investigators, and other College officials. You can receive assistance from MIAD's [Victim Advocates](#) who will provide support and guidance, and connect you to community resources.

The decision to press criminal charges is yours. The Milwaukee County District Attorney's Office has a sexual assault division. Advocates in that office can assist you if you choose to pursue criminal charges.
